

PRODUCT INFORMATION JAMES STAINSPRAY

STAIN REMOVAL

Purpose

- Day-to-day stain removal on carpet and upholstery fabrics
- Remove oil and fatty stains like chewing gum, glue, tar and paint
- Elimination of stickiness
- Also removes persistent stains like felt pen, oil, shoe polish, polishing wax and ink

Features

- Can be used during working hours
- Smell of aromatics
- No resoiling
- Biodegradable and proudly A.I.S.E. certified

Instructions for use

- Spray James Stainspray shortly on and under chewing gum, glue, tar or paint stain
- Leave to soak for 5 minutes
- Remove loosened dirt using a spoon
- Repeat the procedure if necessary and use James Stainspray on a cotton cloth to remove any remaining residue using wide sweeping strokes
- Treat stains like felt pen, shoe polish, oil, polishing wax and ink by spraying James Stainspray directly on a cotton cloth
- Remove the stain with this cloth by wiping the stain clean using wide sweeping strokes

Notes

- If the nature of the stain is unknown, first use James Stainspray before possibly applying James Stainwonder
- It is possible to treat multiple chewing gum and glue stains simultaneously

Dosage

- Undiluted

Detergent Regulation

aliphatic hydrocarbons: $\geq 30\%$, non-ionic surfactants: $< 5\%$, perfumes
